

CYCLOPS LIGHTING

CPX180OB-06 is an outdoor IP65 LED Bar powered by 12 x 15W RGBW LEDs with an improved optical system for high brightness and smooth color mixing. The CPX180OB-06 is built for multipurpose architectural and entertainment applications.

SOURCE : Light source: 12 X 15W, RGBW 4 in 1 LED
Color temperature: 2700K - 8000K
LED life expectancy: 50,000 Hrs.

OPTICAL SYSTEM : Beam angle: 6°

DYNAMIC EFFECTS : Dimmer: 4 selectable dimming curves
Strobe effect

CONTROL & PROGRAMMING : Control protocols: DMX and RDM is available.
Control channels: 3, 7, 11, 48 & 52CH
Four buttons with TFT LED displayer

ELECTRICAL : Input voltage: 100-240V/50-60Hz
Power consumption: 140 watts

CONNECTIONS : DMX connections: Seetronic IP65 XLR input and output
Power connections: :Seetronic IP65 true 1 power input and output

PHYSICAL : Dimensions: 1000 X 94.5 X 160.9mm
Net weight: 5.4 KG
Color: Black
Housing: Aluminum
IP rating: 65
