

Multiply the applicability of LunaBulb by increasing the lux output, narrowing the beam, avoiding glare, emulating different looks and selectively blocking or diffusing the light. The perfect companion when controlling practicals on set or shaping the mood of an event.

SPECIFICATIONS

Order Code	FP7-ACCCSE-KIT
Material	Plastic
Weight	1950 g / 4.30 lbs
Dimensions (L x W x D)	280 mm x 246 mm x 103 mm / 11.02" x 9.69" x 4.06"
